

Rosh Hashana Yom Kippur

Spot It Game

Nissan Goldberg - YIGN Youth

BEFORE YOM TOV:

Print and cut out the 57 cards on the pages that follow.

BEFORE PLAYING:

If you've never played or if you're playing with people who've never played before, draw two random cards and place them face-up on the table between all the players.

Look for the identical symbol between the two cards (same shape, same color, only the size can be different). The first player to find the right symbol names it out loud and draws two new cards which are then placed face-up on the table.

Repeat this until each player understands that there's always only one identical symbol between two cards. That's it, now you know how to play Spot it!

In case of doubt?

It's the first player to have named the symbol who wins! If players have spoken at the same time, it's whoever has taken, placed or discarded his or her card first who wins.

Object of the game

No matter the game, you always need to be the fastest to spot the identical symbol between two cards, name it out loud and then take the card, place it or discard it depending on the rules of the mini-game you're currently playing.

Mini Games

Spot it! is a series of fast, challenging mini-games in which all players play simultaneously. You can play them in any order, or only play your favorites.

The bottom line is to have fun! It can be helpful to first play a few practice rounds to make sure everyone understands the rules. The player who wins the most mini-games is the champion.

Don't hesitate to have a practice round to make sure every player understands the rules.

At the end of a mini-game, the tied players duel (or have a round of “hot potato” if there are more than two).

They each draw a card and reveal it at the same time. The first one to find the identical symbol and name it out loud wins the duel.

End of the game

The player who has won the most mini-games wins the game.
