

TESHUVA TOWERS

A Cooperative game of working together to build a better self and a better world.

Supplies: 10 cubes in a shared pile, 1 die, a flat surface

Objective: To make a tower 10 cubes high

How to play: players take turns rolling the die and doing the actions corresponding to the number rolled.

1. Place one block on the tower
2. Place two blocks
3. Place three blocks on the tower.
4. Name a mitzvah you are proud of doing.
5. Name an *averah* (misdeed) you are guilty of and want to change. Remove one block.
6. Sing a Jewish song.

If the tower falls over, building starts again.

**When the tower is 10 cubes high,
everyone wins!**
